Stig Wemyss Australia's most loved narrator is visiting the Greater Hume Shire in August 13

Stig Wemyss is Australia's most loved narrator of audio books for children and young adults. Perhaps you've listen to one of the many books he has narrated. Or perhaps you've listened to all of them!

Stig Is the Author of The Tripp Diaries. An audio book series written specifically for audio. If you love listening to Stig read books by Andy Griffiths, Paul Jennings, Tim Winton and and others, you'll love this original, hysteric series designed to listen to in the car with your family on a long drive...or a short drive, depending where you live.

Stig's performances in libraries and schools around the country have become notorious with children and adults alike. His shows are wildly entertaining, cleverly irreverent and chocked full of fun. On Wednesday 21st and Thursday 22nd August Stig will be touring the Greater Hume Shire libraries and selected schools. Go to [www.http://www.stig.com.au](http://www.stig.com.au) or ask your local library at either Culcairn, Henty, or Holbrook for further details.
