Culcairn Library Book Club

Organise your group for 2012 NOW

The Riverina Regional Library Book Club is for anyone who would like to read a varied selection of books and meet with others to chat about them, maybe over tea and cake or wine and cheese. The library provides ten copies of one title plus background notes and discussion questions. Clubs meet from February to November reading ten titles over the year.

Form a group of up to ten individuals and nominate a group leader, pay the \$400 club membership, find a venue and you can begin your own book club.

**Only \$40/person per year when a book club group has
10 members.**

Our book club program offers a range of titles including fiction and non-fiction. Where available, one copy of the DVD based on the book is included in book club packs.
